SUMMARY:
> I am currently a game developer exploring possible new roles in game or web development. My background experience has allowed me to develop as a collaborative team player with quality interpersonal skills. My work ethic and inquisitive problem-solving personality also allows me to be effective working independently as well.

RELEVANT PROJECTS COMPLETED:
- Project objective was to create an application to enable potential employees to generate random passwords based on specific criteria that they select.   HTML, CSS, Javascript used. **https://drewml08.github.io/Week3-hw/**
- Project objective was to create an application that was a timed interactive coding quiz using Javascript, HTML, and CSS. **https://drewml08.github.io/Week4-hw/**
- Projective objective was to create an application that generated professional README files that developers could use for projects.   Javascript and Node.js used. **https://drewml08.github.io/Week9-hw/**

PROFESSIONAL EXPERIENCE:
